POSTGRADUATE COURSES
SCHOLARSHIPS & INTERNSHIPS

UNI-ITALIA STUDY
in ITALY

THE PROGRAMME

The program offers the chance to develop academic, technical and professional skills through a range of **Master's and Postgraduate courses** in Engineering/Advanced Technologies, Architecture/Design, Economics and Management and **on-the-job trainings** at Italian companies.

The **top Italian universities**, participating to the program, offer **courses held entirely in English**, with the aim of boosting job prospects in a competitive landscape. **The selected grantees will receive a 9-month scholarship** as a contribution to their Italian experience.

LET THE ADVENTURE BEGIN!

The Invest your Talent in Italy scholarship allows you to get the **chance to be relevant for Italy and for your country of origin**, fostering mutual understanding and knowledge between different cultures. This dynamic environment will offer you chances for dialogue and active participation in addition to the opportunity to develop your skills and shape your future career.

As a **flourishing plant needs a good seed** to bloom and grow, **your talent and skills need someone who will make them bloom!**

COURSES
